Productive Classroom Assessment in College Courses (Paperback)

By Rick Stiggins

Rick Stiggins, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine a truly practical guide to the creation and use of assessments in higher ed. classrooms! This is it--a basic, common sense assessment literacy guide that maximized quality, saves time and, turns assessment into a teaching tool. All of this is done by focusing attention on a very few simple and easy-to-apply keys to success: starting with a clear purpose and clear learning targets, building quality items, exercises or task along with proper scoring schemes for that context, and planning to communicate results effectively. But there is one more unique feature of this guide: it shows professors when and how to involve students in a self-assessment process during their learning that causes achievement to skyrocket. This instructional use of assessment, called assessment FOR learning has been gaining a strong reputation around the world over the past two decades as an outstanding tool to promote student confidence and strong achievement gains. In short, this book teaches how to use assessment both to support learning and to certify or verify it (as in grading). There has not been a...

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
