This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Hebrew Ideals From the Story of the Patriarchs, Vol. 1: A Study of Old Testament Faith and Life This handbook is an attempt to give, not a critical analysis of documents, but a sympathetic interpretation of ideals, and it is written for the purpose of instructing and stimulating young minds. There are plenty of learned critical works on Genesis. The best are those of Dillmann, Delitzsch, Gunkel, and Ball. To add another to the number would be wasteful and ridiculous excess. My commission was to write something simple. That is more difficult, and at present more needful. Criticism has had its innings, and the time is come for appreciation. Analysis must lead to a new synthesis. It is sometimes said that vast tracts of Scripture, and especially of the Old Testament, which were luminous and comfortable to our fathers, are bare desert to the younger generation of preachers. If there are such tracts, I believe they can all be reclaimed. Genesis, at any rate, should not be allowed to become desert; and rightly cultivated it will always rejoice and blossom as the rose. My conviction is that when criticism has done its worst, or, as I for one prefer to say, its best, Luther's words will be as true as ever: *Nihil pulchrius Genesi, nihil utilius*. A word should be said as to the divine name. I do not care to use the discredited form Jehovah, which was unknown till it was coined by an erring scholar in the sixteenth century.
