Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

Walden Pond Press, United States, 2016. Paperback. Book Condition: New. Reprint. 193 x 130 mm. Language: English . Brand New Book. An action-packed, funny, and unexpected middle grade fantasy-adventure from the acclaimed author of Sidekicked. The world is not a fair place, and Colm Candorly knows it. While his parents and eight sisters seem content living on a lowly cobbler's earnings, Colm can't help but feel that everyone has the right to a more comfortable life. It's just a question of how far you're willing to go to get it. In an effort to help make ends meet, Colm uses his natural gift for pickpocketing to pilfer a pile of gold from the richer residents of town, but his actions place him at the mercy of a mysterious man named Finn Argos, a gilded-toothed, smooth-tongued rogue who gives Colm a choice: he can be punished for his thievery or he can become a member of Thwodin's Legions, a guild of dungeoneers who take what they want and live as they will. Colm soon finds himself part of a family of warriors, mages, and hunters, learning to work together in a quest to survive and, perhaps, to find a bit of treasure along the way.
