

The New Low-Carb Way of Life: A Lifetime Program to Lose Weight and Radically Lower Cholesterol While Still Eating the Foods You Love, Including Chocolate

By Rob Thompson

Rowman & Littlefield. Hardback. Book Condition: new. BRAND NEW, The New Low-Carb Way of Life: A Lifetime Program to Lose Weight and Radically Lower Cholesterol While Still Eating the Foods You Love, Including Chocolate, Rob Thompson, Low-carb diets work as Dr Atkins has proved to the world, but now its time to go beyond the one-size-fits-all, sugarless approach to weight loss. Here, Cardiologist Dr Rob Thompson has developed a method that allows you to customise a low-starch diet programme to your personal metabolic needs. All it takes are a few answers to questions about your medical history and personal health habits and you can create your own metabolic profile - which explains the unique way in which your body handles carbohydrates and cholesterol. Incorporating the latest research, Dr Thompson shows that dietary science no longer lumps all carbs together. More and more scientists are rating them according to their 'glycaemic indexes', or the extent to which they impact metabolism. This books serves as a guide for the next generation of dieters who will be delighted to know that only certain carbohydrates are responsible for adding on the pounds and clogging up the arteries - and sugar is not one of...

Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

-- **Tevin McClure**

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).
