The development of meaningful relationships, where every member carries a significant sense of belonging, is central to what it means to be the church. So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community? Despite the best efforts of pastors, small group leaders, and faithful lay persons, church too often is a place of loneliness rather than connection. Church can be so much better. So intimate and alive. The Connecting Church tells you how. The answer may seem radical today, but it was a central component of life in the early church. First-century Christians knew what it meant to live in vital community with one another, relating with a depth and commitment that made 'the body of Christ' a perfect metaphor for the church. What would it take to reclaim that kind of love, joy, support, and dynamic spiritual growth? Read this book and find out.

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

-- **Dr. Bethany Lindgren**

Completely among the finest pdf I actually have ever read through. it was actually writtern extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
