

Cinasthana Today: Viewing China from an Indian Eye

Filesize: 7.09 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

CINASTHANA TODAY: VIEWING CHINA FROM AN INDIAN EYE

Tata McGraw-Hill Education Pvt. Ltd, 2012. Hardcover. Book Condition: New. First edition. At last, the yawning gap between the scholarly studies and the sparse factual information on China, is being bridged. This volume performs yeoman`s service for the vast majority of Indians, thirsting for an informed account of China; its history, politics, economy, society and culture. Sprinkled with human interest stories, this book will go a long way in helping the general Indian reader develop a sensible understanding about our most important neighbour.--- Dr. Alka Accharya, Director, Institute of Chinese Studies, New Delhi This is the first time that I am awakened to the fact that ancient records reveal that the name of China was Cinasthana. I am fascinated by the title. Commerce and Technology should forge ahead and the joining gum would definitely be culture. Skillfully and meticulously the author has recollected and reconciled the forgotten historical facts with the single minded approach towards bringing the two countries closer.--- Late Dr. Abid Hussain, Renowned Diplomat, Former Indian Ambassador to the USA Cinasthana Today is truly an admirable work. It handles a complex subject in a sensitive manner.--- Mrs. Nirupama Rao, Indian Ambassador to the USA, Former Indian Ambassador to China Cinasthana Today is well researched. It contains valuable insights into India`s relations with China since time immemorial. Indeed the book provides a snapshot of the diverse nature of India-China relations.--- Shri S. M. Krishna, Former Minister of External Affairs, Government of India Over the years, China has become a hot topic of discussion in India. While it has been perceived in varied light on numerous occasions, China has been largely misconstrued by the Indian masses. The clouds of suspicion harboured due to the brief 1962 conflict still do linger. Even though there has been no confrontation for the last...
