

Square Peg, Round hole

By Michael Heath

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Square Peg, Round hole, Michael Heath, Mike lived in a lovely town, in a lovely house with parents who made him lovely sandwiches every day to take to his lovely job in his lovely car. In his late twenties he knew this wasn't right. What a saddo! He would sit in his sales show room dreaming about an exotic existence fraught with danger where people were scared of him. This last bit was of particular importance and he still doesn't know why. Finally he could take no more and did something about it. Mike takes you on a very unique journey of various experiences and how it taught him to man up to life in fulfilling his own personal dream goal of becoming a bad boy. A sort of riches to rags mentality in undoing his preciousness and adopting a better to be someone for a day than no one for a lifetime approach, achieving an inner contentment that so many of us are so afraid of reaching for.
