Oxford University Press Inc, United States, 1999. Paperback. Book Condition: New. 241 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.In spite of society s wish to protect and insulate children from death, the experience of loss is unavoidable and there is surprisingly little guidance on how to help children cope with grief and bereavement. Never Too Young to Know: Death in Children s Lives is the first book to bring together diverse fields of study, offering a practical as well as multifaceted theoretical approach to how children cope with death. The second section offers a detailed analysis of how children experience mourning different types of death including the death of siblings, parents, and friends, and death due to illness, suicide, accidents, and violence. The final section includes an accessible guide to helping children cope with grief, emphasizing the importance and the necessity of social support as children learn to...
