Brand New Book ***** Print on Demand *****.In *Man and Superman*, George Bernard Shaw really outdid himself. Not only did he turn up with a Don Juan play in our modern day and age, which is full of cynicism, and doesn't give in to medieval codes of behaviour, but he even manages to turn around the table. In *Man and Superman*, the hunter becomes the hunted, forced to flee from his pursued/pursuer. George Bernard Shaw includes in this play an ingenious conversation between the original 15th century characters, which not only explains about Don Juan's philosophy, but shines a new light upon our own lives, here and today. No wonder Shaw was called the English Nietzsche. Though Nietzsche was an aristocrat and Shaw a socialist, both cherished the dream of the superman and looked forward to the day when he would be realized. Both also were characterized by their mordant wit and intellectual cynicism in which *Man and Superman* abounds. Shaw manages to compress a number of disparate themes into a relatively taut dramatic format, even throwing in a scene in which Don Juan, the Devil and a gang of anarchist brigands make an appearance. The central event of the plot involves the wealthy Tanner, a member of the Idle Rich Class making himself subservient to the Life Force and seeking the perfect woman to marry, who would guarantee him a very special offspring, his ideal, the superman himself.
