

The Red Gene (Paperback)

By Rosalind Beale

New Generation Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Oxford in the swinging sixties - mini skirts, disco dances, budding romances, and .family matters. Red haired, quick tempered Bethany Burnett embraces the new era with gusto. A career of her own choice, a shocking pink mini dress, a boyfriend called Bear and driving lessons are all on her agenda - to the consternation of her staid and respectable parents. But beneath her confident exterior lies a nagging worry - from whom did she inherit her copper-coloured curls? Not from any of her close relatives that s for sure. Adoption could be the answer but Bethany uncovers facts that suggest a more sinister explanation. Unless her suspicions are disproved there can be no future for her and the man she plans to marry. Is it possible to establish the truth?.
