

Co-Teaching--Strategies to Improve Student Outcomes

By Marilyn Friend

National Professional Resources (NPR), 2014. Other. Book Condition: New. Co-teaching is a popular service delivery model for students who are entitled to special education or other specialized services, such as support services for English learners. Evidence shows that the implementation of co-teaching is significantly associated with improved student outcomes. However for co-teaching to be effective, teachers need to thoroughly understand what the arrangement entails and what it takes to make co-teaching work. In this newly released quick-reference laminated guide, Dr. Marilyn Friend, a renowned authority on co-teaching, provides educators with an overview of the fundamental "what," "why," and "how" of co-teaching. Topics covered include: Co-teaching and inclusion Co-teaching vs. team teaching Co-teaching vs. paraprofessional Support The role of each co-teacher Elements of successful co-teaching partnerships Instruction in co-taught classrooms/understanding specially designed instruction (SDI) Co-teaching and Common Core Standards (CCSS) Planning for co-teachers Dr. Friend outlines six the following six co-teaching approaches, along with recommended frequency of use and variations for each: One Teach, One Observe Station Teaching Parallel Teaching Alternate Teaching Teaming One Teach, One Assist 6 pages. 2014.
