Together for Tomorrow: Building Community Through Intergenerational Dialogue (Paperback)

By James Vincent Gambone Phd

Createspace, United States, 1997. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****. Together for Tomorrow: Building Community Through Intergenerational Dialogue, is a guide and information resource to help you break down isolation and separation between the generations. It presents a proven process for community building: the Intergenerational Dialogue process. Intergenerational Dialogue is a tool for joining all ages, cultures, races, genders and economic classes in problem solving and joint action. This book is a valuable resource book for anyone working in the areas of: intergenerational programming; family relations; health long term care; community education; community organizing; human relations training; public policy; healthy community initiatives; violence, alcohol, and drug prevention; social work; agricultural extension; aging networks; diversity initiatives; and homeland security. The book contains: Background on the Intergenerational Movement Issues Facing the Movement Today 12 Key Intergenerational Dialogue Organizing Steps Follow-up - Moving the Dialogue to Action Outcomes from Previous Dialogues A Dialogue Sampler on the Issue of Family Violence Discussion About Diversity and Dialogue How to Build an Intergenerational Movement Copyright-free documents you can photocopy for your own use in your community or organization, including: Qualities of a Good...

Reviews

A new electronic book with a new point of view. it was writtern extremely completely and beneficial. Its been written in an extremely straightforward way in fact it is simply following i finished reading this publication through which really altered me, alter the way i really believe.

-- **Dr. Florian Runte**

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
