Measure for Measure: With New and an Updated Critical Essays and a Revised Bibliography (Paperback)

By William Shakespeare, S. Nagarajan

Penguin Putnam Inc, United States, 2009. Paperback. Book Condition: New. 2nd Revised edition. 168 x 104 mm. Language: English . Brand New Book. Although performed before King James I in 1604, the text of Measure, For Measure was not published until 1623, seven years after Shakespeare's death. This First Folio text, printed from a transcript by King's Mens scrivener Ralph Crane of Shakespeare's own foul papers, preserves Shakespeare's authorial process, including his changes in plot, character, theme and structure. As such it offers a unique view of the author's writing and rewriting of his own play. Once dismissed as an assembled text or as a darkened text, adapted or botched by later revisers, the Folio text instead presents a superbly written play about intensely complex issues, including the uses of morality and sexuality. The original and genuine text of Measure, For Measure offers Shakespeare at his most brilliant and intricate.
