Pediatrics for Medical Students (3rd Revised edition)

By Daniel Bernstein, Steven P. Shelov

Lippincott Williams and Wilkins. Paperback. Book Condition: new. BRAND NEW, Pediatrics for Medical Students (3rd Revised edition), Daniel Bernstein, Steven P. Shelov, Endorsed by the American Academy of Pediatrics, this text is designed for third-year medical students in their pediatric clerkships or studying for pediatric shelf exams. The book is divided into two sections. Section One focuses on the general practice of pediatrics, including normal preventive visits. Section Two offers more traditional systems-oriented chapters that focus on a systematic approach to developing a differential diagnosis. This text is a nice hybrid - part pediatrics textbook, part review guide for shelf exams or board preparation. A new arsenal of ancillary materials, including full text online, student testbank, and image bank accompanies the book. This title includes authoritative content fully endorsed by the prestigious American Academy of Pediatrics. AAP's thorough review of the text ensures compliance with the latest in policies and treatment guidelines. It links students and instructors to additional resources via thePoint, including the full text online, image bank, student test bank (also available in a convenient mobile format) with 200 USMLE-style clinical vignette questions, and access to the AAP's Bright Futures website for superior coverage of children's healthcare in...
