

Wordpress for Web Developers: An Introduction for Web Professionals

Filesize: 5.28 MB

Reviews

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.

Apress. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 9.1in. x 7.5in. x 0.8in. WordPress for Web Developers is a complete guide for web designers and developers who want to begin building and administering sites with WordPress. This book is an update of Beginning WordPress 3, freshened and clarified for web developers who want to make the most of WordPress. You'll start by learning WordPress basics, including how to publish content, add media, and manage users. Then you'll dig deeper into your WordPress server administration, including domain mapping, security, and importing and migrating. The book then steps up a gear with an introduction to developing for WordPress, perfect for developers and designers with some PHP experience, who want to learn to create custom themes and plugins. WordPress is the most popular open source blogging and content management system in the world. Its flexible, user-friendly system can be extended with thousands of freely available themes and plugins. This book will teach you how to make the most of WordPress's built-in features, how to find the right themes and plugins for your projects, and how to build your own custom features. You'll learn to: What you'll learn How to install WordPress and configure its settings How to create, organize, and display content and multimedia files How to find themes and plugins or create your own with PHP How to maintain and secure your WordPress sites How to set up a network of sites and manage them in a single interface Who this book is for This book is for professional web designers and developers, with some working knowledge of PHP, who want to learn to administer and build sites with WordPress using advanced topics such as themes and plugins. Table of Contents Part 1: Installing and Using WordPress 1. Introduction 2. Installation 3. Settings 4. Working with...
