Reading and War in Fifteenth-century England: From Lydgate to Malory (Hardback)

By Catherine Nall

Boydell Brewer Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 241 x 160 mm. Language: English . Brand New Book. Offers an impressive vision of a militaristic culture and its thinking, reading and writing. This is war as political and economic practice - the continuation of politics by other means. The book develops that feeling of war as a very real practical and intellectual problem and shows how a discourse community comes to share its thinking: in the processes of translating, annotating, rewriting, and so on. A major contribution to the literary history of the fifteenth century. Professor Daniel Wakelin, University of Oxford. Reading, writing and the prosecution of warfare went hand in hand in the fifteenth century, demonstrated by the wide circulation and ownership of military manuals and ordinances, and the integration of military concerns into a huge corpus of texts; but their relationship has hitherto not received the attention it deserves, a gap which this book remedies, arguing that the connections are vital to the literary culture of the time, and should be recognised on a much wider scale. Beginning with a detailed consideration of the circulation of one of the most important military manuals in the Middle...
