MIGRANT EARTH (PAPERBACK)

Berkeley Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a joint publication of Berkeley and Floricanto Presses. Migrant Earth very eloquently documents the travels and travails of a family of Mexican migrant workers as they wander the Western United States in the nineteen forties and fifties. These are poignant tales that paint the life and death struggle of a family living on the periphery of a dominant white culture that simultaneously loathed and needed them. They owned but the clothes on their backs and lived in rat infested, dilapidated agricultural labor camps throughout the Pacific Northwest. They worked from sunup to sundown in pesticide laced fields under scorching, unrelenting summer suns. While wandering the countryside working the fields-White society was too genteel to harvest-they dreamed of better times and the safety of a piece of land they could call home. Ultimately they were able to save enough to purchase a small thirty acre farm in Eastern Washington. But just when the hard life seemed over, his padres divorced and mama with nine children in tow was sent back on the migrant labor circuit. Senor Ledesma s writes passionately about a hard as nails papa he feared but who taught him to love the land and respect hard work. He credits his mama for teaching him the transformative nature of dreams. If he took them seriously, she explained a thousand times, they would save him from the brutal life that tragically killed his four older siblings. Migrant Earth is historical and hopeful. Until now Senor Ledesma s stories have been too painful to talk about. His stories lie quietly in the shadows of a middle class life with no resemblance to where his family began...
