Clear, well-designed, and eminently readable, it carefully balances current and past research with practical examples and issues; this book impressively includes dynamic 4-color graphs and photographs that maintain reader interest and ease understanding. It covers the latest hot topics, including incarcerated terrorist offenders, legal issues in imprisoning terrorists, federal legislation to restrict post-conviction conditions as well as conditions of confinement appeals. Other more conventional topics covered are: historical perspectives, the court process, imprisonment alternatives, correctional systems and functions, institutional clients and their rights, reintegration systems, and the future of corrections. For corrections officers, institutional employees, and others in the criminal justice system. 509 pp. Englisch.
