Brand New Book ***** Print on Demand *****.Dr. Williams has rendered a great service to all students of the King James Bible. His masterful historical research demonstrates that there have always been critics of the King James Bible but their criticisms are willful and not scholarly. Genuine scholars have repeatedly risen to its defense and promotion. They still do. This book is a great resource in the study of the history of the King James Bible. I recommend it to any serious student of the King James Bible.
