Random House. 1 Cloth(s), 2014. hard. Book Condition: New. (One of the New York Times's 100 Notable Books of 2014) Having served in Britain's Camel Corps in World War I, James Howard "Billy" Williams went to colonial Burma in 1920 for a British teak-logging company, ready to work with elephants. Amazed by their intelligence, character, and even humor, he became a gifted handler, treated their illnesses and injuries, and championed more humane treatment for them yet always insisted that he gained far more from the elephants in return. When Imperial Japanese forces invaded Burma in 1942, "Elephant Bill" joined Force 136, the British dirty tricks department, operating behind enemy lines. His elephants would help carry supplies, build bridges, and transport the sick and elderly over treacherous mountain terrain, including a desperate escape ahead of advancing enemy forces over the border to India, with a bedraggled group of refugees in tow. A longtime columnist on animal issues winning an Edward R. Murrow Award as "The Animalist" on NPR's WBUR-Boston website as well as the author of *The Lady and the Panda* and *The Modern Ark*, Vicki Croke offers an inspirational narrative that is part biography, part war epic, and part wildlife adventure. "I have to confess my love of elephants made me apprehensive to review a book about their role in World War II," wrote Sara Gruen in the *New York Times Book Review*. "But as soon as I began to read *Elephant Company*, I realized that not only was my heart safe, but that this book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species . nothing less than a sweeping tale, masterfully written." 343.
