iUniverse, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.So. Why Are Students NOT Learning On The School Bus? According to Dr. Keshia L. Gaines, students should learn from academic content on the school bus and other unique learning areas (the bus stop, cafeteria, playgrounds, bathrooms, academic clothing, etc.). The key to improving America's educational system, Gaines believes, is to allow students to learn outside the classroom. Since students are not meeting academic expectations in the general classroom, it is important to consider all methods and areas for students to learn. Dr. Gaines founded Bus-stop 2 Bus-stop, LLC and created the Bus-stop 2 Bus-stop learning method to help students increase academic achievement in fun, innovative ways. The idea behind the Bus-stop 2 Bus-stop learning method is that students will be exposed to academic content starting at the school bus stop. Students will continue to be exposed to academic content throughout their school hours until they get dropped off at that same bus stop at the end of the school day. This book is designed for use in various education courses, educational leadership positions, and for general...
