SOCIAL DILEMMAS: THE PSYCHOLOGY OF HUMAN COOPERATION (PAPERBACK)

Oxford University Press Inc, United States, 2015. Paperback. Book Condition: New. Reprint. 235 x 155 mm. Language: English . Brand New Book. One of the key scientific challenges is the puzzle of human cooperation. Why do people cooperate? Why do people help strangers, even sometimes at a major cost to themselves? Why do people want to punish people who violate norms and undermine collective interests? This book is inspired by the fact that social dilemmas, defined in terms of conflicts...
