

Healing Conversations: What to Say When You Don't Know What to Say

Filesize: 3.4 MB

Reviews

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

(Delbert Gleason)

Jossey-Bass, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This little book is bang on. Would that I had it in my pocket every time I needed it the last thirty years. The pages would be threadbare." mda;Thomas L. Goodgame, president emeritus, Westinghouse (CBS) Television Group"Although understanding how to comfort someone only comes with living through difficult times, Nance's book helps you get started.taking those first steps toward helping someone in distress." -Niki Tsongas, wife of the late U.S. Senator, Paul Tsongas"Healing Conversations--what a beautiful concept. Not only does Nance Guilmartin offer a multitude of wise suggestions to help us show we care with our words, but just as important, she teaches us how to listen. I recommend this book to anyone who wants to learn how to really be there for those they care about." -Beverly Engel, author, The Power of Apology"After 30 years of working with people in pain, I have heard too many 'unhealing' conversations. It is time for all of us to learn that one word of kindness to someone in pain can begin their recovery. This book teaches us how to pause long enough to listen in to the silence of another's pain and to facilitate the body's potential to heal itself." -James Walaski, Past Chair, American Massage Therapy National Sports Massage Education Council, Massage Therapist for the New York Yankees 1996-98, Keynote speaker at the 1997 Australian National Massage Therapy convention"In twenty years of coaching managers to have difficult conversations, and having many of them myself, I realize that the fear we have in having that tough talk is actually worse than the conversation itself. [These] stories remove some of the stumbling blocks and [these] words, once read, are transformed into personal courage." -Gwendy Longyear-Hayden, director, Human...
