IN SEARCH OF THE KITE RUNNER (PAPERBACK)

Chalice Press, United States, 2007. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In Khaled Hosseini's best-selling novel *The Kite Runner* (Riverhead Books, 2003), Hosseini shows us an Afghanistan rich in tradition and culture and an Afghanistan torn apart by war and political strife. We see Muslims who are not so different from Christians or Jews. *In Search of the Kite Runner* looks at the basic themes that make *The Kite Runner* such a fascinating and thought-provoking story and that make it personal for anyone who has ever wished for a chance to do something over. Written from a Christian perspective, *In Search of the Kite Runner* begins with the rudiments of Islamic faith and the Islam of Afghanistan. The author likens the struggles of *The Kite Runner*'s characters and those of other literary figures to the struggles and stories of biblical patriarchs. She brings to light the complexities of interpersonal and intrafamily relationships and examines the impact that power, guilt, and the quest for forgiveness and redemption can have on our lives. Exploring both the individual and the collective basis for doing good, Hayes probes our perceptions about what it means to be religious and what it means to be human. From the Popular Insights series.
