I am the author of this book, I consider it to be my masterpiece, even if my mum doesnt think so. I was a young man, just 21, when I travelled America. I had never even adventured out of my town alone before, so it was a big step for me much in the same way it was for Neil Armstrong when he landed on the moon, or that little Hobbit Frodo when he left the shire. This book isnt about zombies, or killing people. It isnt about fighting (although I did get beaten up). It is a true story of how, in the Summer of 2007, I travelled around America and met up with the reincarnation of Jesus whom I had spoken to online and decided to meet. My initial quest was to rediscover the land of America and find answers to important questions like the meaning of life and where girls pee from if they have no willy. I ended up almost getting eaten by a bear, a real big angry one, but that is another story which I detailed in the book. Writing the book was one of my best achievements, along with holding a girls hand and keeping my life savings of 6 pence and half a curly wurly safe from terrorists and the stock market. My ultimate lifelong goal is to be 5 foot 5 (sockless) and I do many stretches every day to ensure I reach the pinnacle of my genetic superiority. I have wanted to achieve this goal since I was little (below 5 foot) and while at the moment it eludes me still...
