CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 130 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. Named a Top 5 Book of the Year by the NSCAA Soccer Journal! Soccer iQ is the first book for soccer PLAYERS! In a world saturated with books about how to coach soccer, Dan Blank finally gives players a book on how to think it. Standing on two decades of collegiate coaching experience, Blank has catalogued soccer's most common mistakes and provides simple, connect-the-dots solutions to help players solve their soccer problems. Soccer iQ is soccer's first text book for players; an almanac of smarter soccer decisions intended to flatten out the learning curve. It covers everything from hunting rebounds to the value of the toe-ball; from playing in the rain to the world's dumbest foul. Blank tells his story from the familiar and humorous voice of a coach who has endured years of stress at the hands of his players. Written in plain-spoken language, Soccer iQ is an easy read and a quick-fix to the most common yet critically important soccer problems. Includes a bonus chapter on the college recruiting process. Finally someone wrote this book! If every soccer player read Soccer iQ, every coach would be a lot happier. Mark Francis - Head Coach University of Kansas Dan Blank has just written soccer's first definitive text book. Colin Carmichael - Head Coach Oklahoma State University This book has immediately become required reading for my team. I'll take 30 copies. Steve Nugent - Head Coach UNC-Greensboro Soccer iQ may be the best practical soccer book I have ever read. There's no fluff. Just nuts and bolts principles that we teach every day. I'll solve a lot of your soccer problems. Steve Holeman - Head Coach University of Georgia This item...
