There are also useful details of many services that may be needed while travelling, such as tourist information centres. The atlas has a comprehensive index and includes indexed town plans of major regional centres. The front of the atlas contains a unique 15-page guide to regional leisure with full details of places of interest, such as castles, houses, cathedrals and museums, plus guides to nature reserves, parks and gardens, and listings of a wide variety of activities from abseiling to yachting. The atlas is designed with the leisure user particularly in mind, and is ideal for touring with its large scale and wealth of travel information.
