

The Fable of Freddy and the Frockett (Paperback)

Filesize: 6.92 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE FABLE OF FREDDY AND THE FROCKETT (PAPERBACK)

[DOWNLOAD](#)

Outskirts Press, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In The Fable of Freddy And The Frockett, Freddy Free lives in a cabin on Ina Minne Lake with his spirited Mother, Frenchy. Frenchy, a Native American Schoolteacher, works hard to instill confidence and self-reliance in her son. Freddy, only ten-years old at the time, witnesses the drowning of his father and blames himself for the accident. But, wading in the lake one sunny day, Freddy discovers a clam shell that mysteriously looks like a golden locket. An inscription inside the locket reads: Everything Is Connected To Everything Else. By coincidence or is it, a furry creature in the cattails whistles and whispers to him. And this is the meeting that changes everything. While on summer vacation, Freddy meets Frankee, a spunky blond girl from Detroit. She is staying at a nearby resort with her Mother and her younger brother, Frumpy. After getting chased out of the town of Feathers, Michigan, the Frrr Gang goes on a wild adventure, meeting the evil Frickett The Crickett in the Slave Cave. It is here, in this cave, that Freddy ponders some revealing pictographs on the walls. The feeling that he may have a calling, a road he must follow, overwhelms him. And that feeling connects to other clues and connects . Meanwhile, Frenchy meets a wise but strangely comical wizard, Chief Dances With Spirits. He lives in Frenchy s backyard cemetery and tells Frenchy about prophetic dreams he has had about her special son. What better way to connect our youth to the fascinating natural world, from frogs to polar bears, from stalagmites to earthquakes! What better way than a captivating adventure story to connect our human footprints and...
