Brand New Book ***** Print on Demand *****.This book is about those whose interest is in their own wealth and power at the expense of all else. They are members of all political parties; they are secular and religious. They have infiltrated all human organizations and institutions. Everett is the son of a mega bank owner who decides he must destroy the economic system. Cedric is a man who joins the Army and goes to war in the Middle East; and when he returns, he takes up the cause of local activists.
