

No Constitutional Right to Be Ladies: Women and the Obligations of Citizenship

Filesize: 6.44 MB

Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Hill and Wang, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "An immensely pleasurable read as well as an important contribution to American legal history . . . The author is too good a storyteller, however, to lay this all out without drama . . . Few have made the case so cogently or entertainingly."--Sara L. Mandelbaum, New York Law Journal "A thoughtful book of formidable research and clear prose . . . Kerber weaves broad constitutional and legal history around fascinating case studies . . . [and] makes a powerful case that, on balance, liberation is the trajectory of history."--Michael Sherry, The New York Times Book Review "An ambitious exploration of the history and meaning of women's civic obligations . . . A carefully crafted work that tells its complex and persuasive story at many levels. By its focus on the law of civic obligation, it makes an innovative contribution to the study of citizenship as both a legal and political institution in the United States. By following the 'antique legal tradition' of coverture out of the treatises and into the arena of public law, this book absorbing book also represents a significant expansion of the legal and social history scholarship of that doctrine in America. Its sweeping survey provides a timeline of the status of women as citizens that is a provocative reminder of how much in the past we still live. Informative and accessible, this study will be useful to legal historians and feminist theorists as well as to more general students of American history . . . So full of interesting ideas and thought-provoking questions that it will inspire the research agendas of scholars for years to come."--Ann F. Thomas, H-Net Book Review "Combining micronarrative with feminist theorizing, impeccable...
