

Control of Linear Systems with Regulation and Input Constraints (Paperback)

By Ali Saberi, Anton A Stoorvogel, Peddapullaiah Sannuti

Springer London Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This monograph couples output regulation with several recent developments in modern control theory. It re-examines output regulation theory to achieve a design of controllers that take into account the physical limiting characteristics of actuators such as saturation. The book provides a solution to the basic problem of finding a controller that achieves internal stabilization, results in a desired performance norm, and renders asymptotic tracking of a reference signal even in the presence of persistent disturbances. Softcover reprint of the original 1st ed. 2000.
