PRINCIPLES OF SOCIETAL DEVELOPMENT AND THE SLOW LEARNER (PAPERBACK)

America Star Books, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Terry Ferrell was born in Brooklyn, New York, but lived in Tallahassee, Florida, after he entered kindergarten. He was reared in a loving environment, yet struggled with success in high school. He graduated from high school in 1990 with a 1.71 grade point average, and then served in the United States Army for over 7 years by working as an armament electrician on the Apache Helicopter. After the military, Mr. Ferrell studied at Austin Peay State University in Clarksville, Tennessee, and found success in his studies, where he earned his bachelors in mathematics and his masteras in curriculum and instruction. He is now teaching in Atlanta, Georgia, in a public high school and is a professor at Keller Graduate School. Mr. Ferrell wrestled with the questions of why some students were not successful and what led to this phenomenon. Many would conclude that students are simply lazy and are genetically inclined not to succeed. This question led Mr. Ferrell on a journey to answers that you will soon discover.
