Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.In *Set Sail for a New World*, Mary McManus takes the reader on her healing voyage as a polio and post polio survivor. With God as her anchor and beacon of hope, she transforms life's pain and struggles. God's love fills her sails. She awakens to her inner beauty and the beauty of the world around her. Buffeted by life's storms, Mary's faith expressed through this eloquent collection of poetry stands as the lighthouse beckoning her readers to set sail for a new world. Her words sing on their own, but when you get to know this warm, energetic and loving soul, those words take on an even greater meaning. Mary's style of poetry is just what folks need in these cynical times. Read her words, feel better and get to know a beautiful new friend.
