AUTHORHOUSE, United States, 2010. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Children of the Residue is a fiction based on actual people used to capture the tragedy of broken homes effects on whole communities. The broken home is stimulated from failed relationships, drugs and economic disparity. In turn the children of the home seek love and strength in all the wrong places. Through their travels they learn contempt for the world. This read is a sharp blade journeying through the forgotten pockets of America s ghetto. These two children find one another and compliment their...
