But there s no humanity in the shocking plot she uncovers to hush up a lethal flaw in the company s newest product, Nexapra, an antidepressant prone to triggering suicide in users. And though marketing it could be tantamount to mass murder, the company s CEO won t hesitate to put profits before people. He also won t let a renegade employee s conscience stand in the way a fact made chillingly clear to Sula when the only other person who can expose the truth is killed. But her boss isn t the only one playing for keeps; to keep Nexapra from flooding the market with a wave of death, Sula will risk everything including her life.
