Brand New Book ***** Print on Demand *****.Edgar Atheling has been betrayed by his allies and defeated in his attempt to win back the throne of England from William the Conqueror. The Normans hunted for him across the north of England, devastating the land in the process. He only just escaped to the sanctuary of the King of the Scots. Once there he is tempted to give up the fight. But there are still some in England who resist the Normans. Edgar decides to return home to lead the battle. He allies himself with the King of the Danes and Hereward the Wake and stakes all on a gamble to win back his birthright. William invades Scotland and Edgar is forced to flee to Europe. Once there he discovers new friends and new enemies. But William decides to put an end to Edgar s resistance once and for all. Once more into the fray as Edgar continues his struggle to reclaim his throne from William the Bastard.
