Summary: American Headway 3 extends and revises many of the structures covered in American Headway 2. The clear, modern design and international focus to texts and topics give the course a universal appeal. The 8-page units offer a wide range of activities and encourage a sense of real progress through the course. Active analysis of grammar through 'Test your Grammar' and 'Grammar Spots' builds and extends students' knowledge. A 'Grammar Reference' section at the back of the Student Book gives clear, detailed rules of form and use. A thoroughly integrated skills and vocabulary syllabus enables students to successfully learn through meaningful practice. Appealing reading material and new activities develop comprehension and stimulate discussion. The listening material is just the right length and level to challenge students, while maintaining their sense of achievement in understanding. A writing syllabus at the back of the Student Book provides a complete writing programme for the level.
