Open University Press. Paperback. Book Condition: new. BRAND NEW, Reflective Practice for Health Care Professionals: A Practical Guide (3rd Revised edition), Beverley Taylor, "This detailed, practical guide to reflective practice has relevance to all healthcare practitioners. Taylor offers readers her REFLECT model to guide them through the process of reflection. Throughout she uses a wide variety of techniques to explain and illustrate what to expect and how to adapt and accommodate to different circumstances and preferences. This book has such depth and detail and yet at the same time is practical and written in plain language. There is literally something for everyone." Canadian Journal of Occupational Therapy, April 2011 78(2) "Taylor reveals how reflection and contemplation creatively welds the everyday working day world to a myriad of cultural, ethical, moral and managerial challenges. This book offers the beginning practitioner a broad understanding of why conscious awareness of one's thinking matters. Taylor's insight reveals her deep thoughtfulness as a meticulous researcher, supervisor and mentor and her guidelines will ground you in shaping your own development as a researcher in practice." Dr Margaret Martin, Victoria University of Wellington, New Zealand "Reflection, as a process of critical self-evaluation, continues to grow and be recognised as...
