Brand New Book ***** Print on Demand *****.Excerpt from Hymns and Poems for Little Children: Translated From the German The following verses, which are nearly literal translations from hymns and poems in a small German book for the use of children, published at Hamburg, were written without any view to publication, but for the amusement and instruction of the author s children. It has been suggested to her that they may be useful in other nurseries as well as her own; and she therefore commits them to the press, claiming for them no merit but that of a faithful imitation of the simplicity of the original; and desiring no other success than that of being, in some degree, instrumental in raising the minds of children to the contemplation of the works of their Creator.
