Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Glen Ernser)

DOG ON IT

Atria Books. Paperback / softback. Book Condition: new. BRAND NEW, Dog on It, Spencer Quinn, Meet Chet, the wise and lovable canine narrator of "Dog on It," who works alongside Bernie, a down-on-his-luck private investigator. Chet might have flunked out of police school ("I'd been the best leaper in K-9 class, which had led to all the trouble in a way I couldn't remember exactly, although blood was involved"), but he's a detective through and through. In this, their first adventure, Chet and Bernie investigate the disappearance of Madison, a teenage girl who may or may not have been kidnapped, but who has definitely gotten mixed up with some very unsavory characters. A well-behaved, gifted student, she didn't arrive home after school and her divorced mother is frantic. Bernie is quick to take the case -- something about a cash flow problem that Chet's not all that clear about -- and he's relieved, if vaguely suspicious, when Madison turns up unharmed with a story that doesn't add up. But when she disappears for a second time in a week, Bernie and Chet aren't taking any chances; they launch a full-blown investigation. Without a ransom demand, they're not convinced it's a kidnapping, but they are sure of one thing: something smells funny. Their search for clues takes them into the desert to biker bars and other exotic locals, with Chet's highly trained nose leading the way. Both Chet and Bernie bring their own special skills to the hunt, one that puts each of them in peril. But even as the bad guys try to turn the tables, this duo is nothing if not resourceful, and the result is an uncommonly satisfying adventure. With his doggy ways and his endearingly hardboiled voice, Chet is full of heart and occasionally prone to mischief. He is intensely...
