Always Add Love in the Kitchen LLC, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. Always Add Love was born of the need to document one family s recipes, to pass them on to future generations. There had been some hunting around for a favorite apple sauce cake recipe that grandma used to make, which was lost for years. To prevent the loss of any more family treasures, Always Add Love was born on the belief that good food keeps memories and loved ones alive in our hearts! The project to document family recipes grew into a blog, and now has become a cook book. While sharing the blog with other parents, it was discovered that we all have similar struggles with picky eaters. This cook book is designed to teach parents healthy and quick recipes that will get their picky kids to the table. These recipes are particularly straight forward, fast and delicious. It would make a wonderful holiday gift for under \$20, and is also well suited as a unique wedding/baby shower or house warming gift. Always Add Love includes very simple to follow recipes, starting with quick protein and pasta dishes that can even be made on a hectic weekday, then covers creative vegetable and fruit dishes, followed by indulgent sweet homemade desserts. Included are articles on what to keep in your pantry, what tools are most important in the kitchen, and time saving conversions and substitutions. Recipes include meat marinades, fruit smoothies (with adult versions), elegant meals such as risotto and a quick tomato sauce, plus a kid friendly version of chicken Marsala, as well as many tantalizing and quick vegetable side dishes like ginger broccoli, glazed carrots and string beans four...
