

Why Women Believe in God

By Liz Hodgkinson

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Why Women Believe in God, Liz Hodgkinson, "Why Women Believe in God" takes the form of a discussion between two lively, outspoken women with very different viewpoints and life experiences. We ask an important question, whether God is necessary, and answer it with reference to scriptures, politics, feminism, secularisation and the serious financial and environmental issues which now confront us and which can no longer be ignored. These days, most educated people - men and women - take the attitude that God and religion are outdated and belong only to fundamentalism and the bible belt. We pull no punches, ask all the awkward questions and try to find satisfying answers. Liz Hodgkinson, a well-known journalist and author of many controversial books, asks the questions, and Sister Jayanti, who has dedicated her life to spirituality, provides the answers. Worldwide.
